Section 1 – Introduction

This directory provides a list of Memorial Hermann Advantage HMO's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

This guide provides a directory of physicians and other healthcare providers in the service area who participate in Memorial Hermann Advantage HMO.

You will have to choose one of our network providers who are listed in this directory to be your **P**rimary **C**are **P**hysician. The term "PCP" will be used throughout this directory. Generally, you must get health care services from your PCP. Your PCP will provide most of your care and will talk with other doctors and healthcare providers about your care. He or she will make sure you get the care you need and will help to arrange or coordinate the rest of the covered services you receive as a member of our Plan.

The network providers listed in this directory have agreed to provide you with your health care/ vision services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. You may go to any of our network providers listed in this directory without a referral from your PCP. In some cases you may need to receive covered services from non-network providers.

If a non-contracted physician or healthcare provider sends a bill directly to you, call Customer Service. If a non-contracted physician or healthcare provider sends a bill for out-of-area emergencies or urgently needed care directly to you, do not pay the bill. Any bill(s) sent directly to you must be submitted to Memorial Hermann Advantage HMO as soon as possible. The claims address is on the back of your Memorial Hermann Advantage HMO ID card.

If you need medical care that Medicare requires our Plan to cover and the providers in our network cannot provide this care, you can get this care from an out-of-network provider; however the provider must participate in the original Medicare program or accept Medicare payment assignment. In this situation, you must obtain prior authorization to receive these services. We will pay the same as you would pay if you got the care from a network provider.

If you have a medical emergency, get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP. As soon as possible, make sure that our plan has been told about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care at 855.645.8448, usually within 48 hours. TTY: 711. You may get covered worldwide emergency/urgent medical care whenever you need it, anywhere in the United States or its territories. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health.

Urgently needed services are non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or by out of network providers when network providers are temporarily unavailable or inaccessible. You should always try to obtain urgently needed services from network providers. However, if providers are temporarily unavailable or inaccessible and it is not reasonable to wait to obtain care from your network provider, we will cover urgently needed services that you get from an out-of-network provider. You can receive care from any urgent care provider. We recommend you contact your PCP's office if you need urgent care. If urgent care services are received in your doctor's office, you will pay the office co-payment; however if urgent care services are received at a Plan urgent care center, you will pay the urgent care center co-payment, which may be higher.

Emergency/Urgent Care providers are listed in the Emergency/Urgent Care section of this directory. If you are having trouble finding a network urgent care provider, please call Customer Service. When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed services that you get from any provider. Our plan covers worldwide emergency and urgent coverage, but our plan does not cover non-emergency services if you receive the care outside of the United States.

You must use plan providers except in emergency or urgent care situations or for out- of- area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Memorial Hermann Advantage HMO will be responsible for the costs.

Sección 1: Introducción

Este directorio proporciona una lista de los proveedores de la red de Memorial Hermann Advantage HMO. Para obtener información detallada sobre su cobertura de cuidado de la salud, consulte su Evidencia de cobertura (EOC).

Esta guía proporciona un directorio de médicos y otros proveedores de la salud en el área de servicio que participan en Memorial Hermann Advantage HMO.

Deberá elegir uno de nuestros proveedores de la red que figuran en este directorio para que sea su médico de atención primaria (PCP, por sus siglas en inglés). El término "PCP" se utilizará en todo este directorio. En general, debe obtener servicios de cuidado de la salud de su PCP. Su PCP le proporcionará la mayoría de los cuidados y consultará con otros médicos y proveedores de la salud sobre sus cuidados. Él o ella se asegurará de que tenga el cuidado que usted necesita y ayudará a organizar o coordinar el resto de los servicios cubiertos que reciba como miembro de nuestro Plan.

Los proveedores de la red que figuran en este directorio han acordado a proporcionarle a servicios de cuidado de la salud/visión. Puede visitar a cualquiera de los proveedores de nuestra red que figuran en este directorio. Si ha estado visitando a un proveedor de la red, no es necesario que continúe visitando a ese mismo proveedor. Puede visitar a cualquiera de los proveedores de nuestra red que figuran en este directorio sin una remisión de su PCP. En algunos casos, es posible que necesite recibir servicios cubiertos de proveedores fuera de la red.

Si un médico o proveedor de la salud no contratado le envía una factura directamente a usted, llame a Servicio al Cliente. Si un médico o proveedor de la salud no contratado le envía directamente una factura por emergencias o atención urgentemente necesaria fuera del área, no pague la factura. Cualquier factura enviada directamente a usted debe enviarse a Memorial Hermann Advantage HMO tan pronto como sea posible. La dirección de reclamas se encuentra en el reverso de su tarjeta de identificación de Memorial Hermann Advantage HMO.

Si necesita atención médica que Medicare exige que nuestro plan cubra, y los proveedores de nuestra red no pueden proporcionar esta atención, puede recibir esta atención de un proveedor fuera de la red; sin embargo, el proveedor debe participar en el programa Original Medicare o debe aceptar asignación de pagos de Medicare. En esta situación, usted debe obtener autorización previa para recibir estos servicios. Pagaremos lo mismo que pagaría si recibiese la atención de un proveedor de la red.

Si tiene una emergencia médica, obtenga ayuda lo más rápido posible. Llame al 911 para obtener ayuda o diríjase a la sala de emergencias u hospital más cercano. Llame una ambulancia si la necesita. No necesita obtener primero una aprobación o una remisión del PCP. Tan pronto como sea posible, asegúrese de informar a nuestro plan sobre su emergencia. Necesitamos dar seguimiento a su atención de emergencia. Usted u otra persona debe llamar al 855.645.8448 para informarnos sobre su atención de emergencia en un plazo no mayor de 48 horas. TTY: 711. Puede recibir cobertura de atención médica de emergencia/urgente en todo el mundo en cualquier momento que la necesite, en cualquier lugar dentro de los Estados Unidos o sus territorios. Nuestro plan cubre servicios de ambulancia en situaciones en las que acudir a la sala de emergencias en cualquier otro medio podría poner su salud en peligro.

Los servicios necesarios de urgencia son enfermedades, lesiónes o afecciónes médicas imprevistas que no son de emergencia y que requieren atención médica inmediata. Los servicios necesarios de urgencia los pueden proporcionar proveedores de la red o fuera de la red cuando los proveedores de la red no están disponibles temporalmente o son inaccesibles. Usted debe tratar de obtener estos servicios de un proveedor de la red. Sin embargo, si los proveedores están temporalmente fuera de servicio o están inaccesibles y no es razonable esperar a obtener atención de un proveedor de la red, cubriremos los servicios de urgencia que usted obtenga de un proveedor que se encuentre fuera de la red. Puede recibir atención de cualquier proveedor de atención de urgencia. Le recomendamos comunicarse con el consultorio de su PCP si necesita atención de urgencia. Si recibe los servicios de atención de urgencia en el consultorio de su médico, pagará el copago del consultorio; sin embargo, si recibe los servicios de atención de urgencia en un centro de atención de urgencia del plan, pagará el copago del centro de atención de urgencia, el que sea mayor.

Los proveedores de atención de emergencia/urgencia se enumeran en la sección Atención de emergencia/urgencia de este directorio. Si tiene problemas para encontrar un proveedor de atención de urgencia de la red, llame a Servicio al Cliente. Cuando esté fuera del área de servicios y no pueda recibir atención de un proveedor de la red, nuestro plan cubrirá la atención urgentemente necesaria que reciba de cualquier otro proveedor. Nuestro plan abarca la cobertura urgente y de emergencia en todo el mundo, pero nuestro plan no cubre los servicios que no sean de emergencia si recibe la atención fuera de los Estados Unidos.

Debe utilizar proveedores del plan, excepto en situaciones de atenció de emergencia o urgencia o para diálisis renal u otros servicios fuera del área. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Memorial Hermann Advantage HMO serán responsables de los costos.
