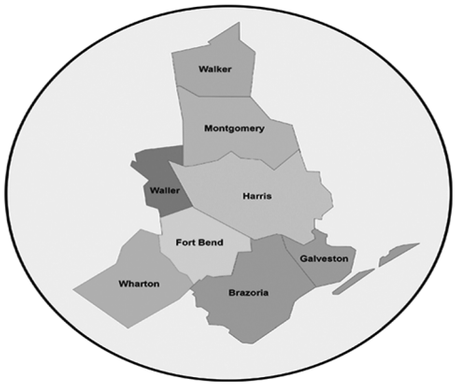
MEMORIAL HERMANN Health Plan

Welcome to Memorial Hermann Commercial Health Plan | HMO

Use this directory to find the doctors, health care professionals and hospitals that participate in the Memorial Hermann Commercial Health Plan (MHCHP) HMO network. The MHCHP HMO participating providers are listed by category. This directory also includes information to help you manage your health care and use your benefits wisely. This directory consists of the following counties: Brazoria, Fort Bend, Galveston, Harris, Montgomery, Walker, Waller, and Wharton.



For the most up-to-date list of MHCHP HMO participating doctors and hospitals, please call Customer Service at 855.645.8448 (TTY: 711) Monday through Friday 8a.m. to 5p.m. or you can go online to *Find a Doctor* at **healthplan.memorialhermann.org/members**.

Find a doctor in our HMO network

Each time you or a covered family member needs medical care, use this directory to find MHCHP HMO participating providers, such as:

- Doctors for routine and preventive care (check the listings for Primary Care Physicians)
- Hospitals
- Specialists or other health care providers

Primary Care Physicians (PCP) are available for most routine and preventive care, while specialists generally practice only in the fields where they're listed in this directory.

The "network providers" listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. You may go to any of our network providers listed in this directory without a referral from your PCP. However, if you obtain routine care from an out-of-network provider, MHCHP will not be responsible for the costs.

More Information Online

We continue to update the HMO provider directory as changes occur. New doctors and providers contract to be in the network, others may change their office addresses and some leave the network. For the most up-to-date information, check Find a Doctor at **healthplan.memorialhermann.org/members** where you can find the doctors, hospitals or other health care provider's address and phone number.

Thinking about enrolling?

If you're considering a MHCHP HMO plan, read the following instructions to learn more about getting care from Memorial Hermann affiliated doctors and providers. Then review the directory to find providers in your area. There is a good chance the doctors and hospitals you want to use are in the network.

Helping You Keep Healthy and Control Costs

We offer coverage for preventive care services that can help you keep healthy and identify health problems at an early stage. Preventive care benefits include coverage for services such as physical exams, well- woman exams and immunizations.

When you become a member, we give you information and tools at **healthplan.memorialhermann.org/ members** to help you manage your health and control costs. Get the latest in health information and tools through the *Resource Center* link. Improve your overall health, learn how to manage a chronic health condition, or prepare for a specific medical procedure with easy-to-use health and wellness information, tips and tools.

What to Do in an Emergency

In an emergency, call 911 or seek help from any doctor or hospital immediately. You're covered no matter where you go. ER visits do not require authorization or notification. Once you have been admitted from the ER, you, your doctor, the hospital, or a family member must then call MHCHP at the number on your member ID card within 48 hours of the emergency visit.

Know Your Plan

Coverage for specific services will depend on your health care benefit program. Be sure to read your benefit booklet for detailed information about your health care benefit plan.

Keeping Costs Low

MHCHP works to keep your doctor and hospital costs as low as possible. Our network representatives continue to build strong relationships with doctors and hospitals across Houston, while negotiating the best rates possible for our members.

The provider network may change at any time. You will receive notice when necessary.

To provide corrections or updates to the provider information in this directory (such as the provider's contract status or whether the provider is accepting new patients) please call Customer Service at 855.645.8448 (TTY: 711) Monday through Friday 8a.m. to 5p.m.
