Consumer Choice Benefit Plans

For HMO products, you have the option to choose this Consumer Choice of Benefits Health Maintenance Organization health care plan that, either in whole or in part, does not provide state-mandated health benefits normally required in evidences of coverage in Texas. This standard health benefit plan may provide a more affordable health plan for you although, at the same time, it may provide you with fewer health plan benefits than those normally included as state-mandated health benefits in Texas. If you choose this standard health benefit plan, please consult with your insurance agent to discover which state-mandated health benefits are excluded in this evidence of coverage.
