CONSUMER CHOICE BENEFIT PLANS

You have the option to choose this Consumer Choice Benefits health care plan that, either in whole or in part, does not provide state-mandated health benefits normally required in evidences of coverage or accident and sickness policies in Texas. This standard health benefit plan may provide a more affordable health plan or insurance policy for you although, at the same time, it may provide you with fewer health benefits than those normally included as state-mandated health benefits in Texas. If you choose this standard health benefit plan, please consult with your insurance agent to discover which state-mandated health benefits are excluded in this evidence of coverage or policy.

I agree: All information on this form is correct and true. I understand that it is the basis on which coverage is issued under the plan. I further authorize the Group to deduct my contribution, if any, from my earnings towards the cost of this plan. I represent that I have read this and that even if this is approved by MHCHP/MHHIC, any intentional misrepresentation of material fact other than misrepresentation related to health status regarding me or my spouse/domestic partner, as applicable, may result in future claims being denied, or my coverage and/or my spouse's/domestic partner's coverage under the Group's Plan being rescinded or re-evaluated retroactive to my effective date for eligibility and rating purposes.

Arbitration Agreement: I understand any dispute between MHCHP/MHHIC and myself may be subject to binding arbitration. The arbitration will be conducted pursuant to the applicable commercial rules of the Texas Civil Practice and Remedies Code Chapter 171. The arbitration will be binding only if both parties agree and the arbitration will occur in the county where the plan of coverage holder or, if applicable, beneficiary resides. Enrollees have a right to pursue legal action and cannot be required to agree to mandatory binding arbitration, as arbitration is voluntary. By signing this Application, I am not agreeing to binding arbitration. If I am enrolling in a Group-sponsored plan that is subject to ERISA, I understand that any dispute involving an adverse benefit decision may be submitted to voluntary binding arbitration only after the ERISA appeal process is completed.

Signature if declining coverage for Employee / Dependent(s) ***Date (Month / Day /Year)***

* If you are declining coverage for yourself or your Dependents (including your spouse/domestic partner) because of other health Insurance coverage, you may be able to enroll yourself and your Dependents in this plan if you or your Dependents lose eligibility for that other coverage (or if the employer stops contributing towards you or your Dependents' other coverage). However, you must request enrollment within 31 days of the date you or your Dependents' other coverage ends (or within 31 days of the date the employer stops contributing toward the other coverage). In addition, if you have a new Dependent as a result of marriage, adoption or party in suit to adopt, or receive a medical support order for a child (a "qualifying event"), you may be able to enroll yourself and your Dependents at that time. However, you must request enrollment within 31 days of the qualifying event. If you have a new Dependent as the result of a birth, you must request enrollment within 60 days after the date of birth.
