Getting the Most From Your 2023 Benefits

Your Memorial Hermann *Advantage* team listens to your feedback and works hard to improve your plan every year. There are more benefits in 2023 than ever before, but if you don't use those benefits, we haven't done our job. The following provides an at-a-glance review of key benefits we hope you take advantage of (sorry, we couldn't help ourselves). And as always, you can find more detailed plan information in your annual Summary of Benefits document, or simply call your Houston-based customer care team at **855.645.8448** (TTY:711).

Dental Coverage with Liberty Dental

All Memorial Hermann *Advantage* Plans have both preventive and comprehensive dental coverage for 2023. Your plan has a total coverage amount of \$2,000. Dental services are provided by Liberty Dental. Liberty has an excellent network in the Houston area, and you can find a provider at: client.libertydentalplan.com/MemorialHermannMedicare/FindADentist.

You can also call Liberty at: **866.674.0114** (TTY: 877.855.8039).

Transportation

Grocery shopping, visiting the pharmacy, seeing your doctor...these are important things you need to do, but sometimes getting there might be difficult. Your 2023 plan makes it as easy as making a phone call or visiting a web site.

Your plan provides 10 1-way trips in 2023 at no cost to you. Our vendor is called Modivcare, and to schedule your ride, they prefer you call or visit their web site **three days** prior to your trip. The number is **855.330.9138** (TTY: 866.288.3133). They will need your Memorial Hermann *Advantage* Plan ID, your address, and the time and address of when/where you are going.

You can also schedule your trips on their website: www.mymodivcare.com/book-now, where you can click the "Book Online" link and follow the instructions.

Prepared Meals After In-Patient Hospitalization

If you have been discharged from an in-patient hospital stay, you are eligible to receive up to 10 meals from Mom's Meals.

If you are working with a Case Manager as part of your hospitalization, they can order the meals after you have been discharged. However, you also have up to 14 days after you have been discharged to order the meals yourself. Simply call Customer Service at **855.645.8448** (TTY: 711). Your prepared meals will arrive in 2-3 days, and can be refrigerated for up to two weeks.

Behavioral Health

Memorial Hermann Health Plan understands that mental health is core to your well-being. New in 2023, we will be integrating these services into our daily operations. What does this mean for you?

You now have access to behavioral and substance abuse case management through the health plan. The Case Manager is a licensed behavioral health specialist or Registered Nurse who can help you with the following:

- Better understand your illness and provide education on treatment options
- Help you understand your medications
- Strategies to help you manage your illness

To access a behavioral health Case Manager, please call **713.579.7909** (TTY: 711) and leave a detailed message; or, call Customer Service at 855.645.8448. If you are experiencing a behavioral health crisis and need assistance, please call the 24/7 crisis line at **877.559.5596** (TTY: 711). For assistance finding an in-network provider please call Customer Service at 855.645.8448.

Getting the Most From Your 2023 Benefits Cont.

Over-the-Counter (OTC) Benefit

For 2023, your plan provides \$40 per quarter (every 3 months starting January 1) for you to order OTC medicines and health and wellness supplies such as ibuprofen, toothpaste, compression garments, mobility aids and incontinence products. Our vendor is called Medline, and you will find their catalog in this welcome kit. You can also find it online on our Memorial Hermann Health Plan website:

healthplan.memorialhermann.org/medicare-advantage/pharmacy-benefits/over-the-counter-products

Your quarterly dollars do not roll-over, so it's important that you take some time each quarter to determine your OTC needs and place your order. We encourage you to try and make a single order each quarter, so you know you've used every dollar available (this also saves on shipping costs, which we appreciate). If you go over your amount, you can use a credit card to cover the rest.

You can order online or via phone; have your Member ID handy. To order by phone, call **833.511.9844** (TTY: 711). To order online, visit: www.athome.medline.com/MHHP.

Vision and Hearing

All 2023 plans have up to \$200 for eyewear (glasses or contacts) per year, and \$400 for hearing aids per year. You will need to complete a reimbursement form and submit with the itemized statement of charges and proof of payment. Always be sure to include date of service,

description of service/ procedure code, diagnosis code, and a legible receipt.

Visit: healthplan.memorialhermann.org/-/media/memorialhermann/healthplan/files/medicare/2023/34_member-reimbursement-medical-claim-form.ashx?la=en for the form.

Case Management – Your Personal Healthcare Professional When You Need it the Most

A Case Manager is a licensed healthcare professional that provides one-on-one care tailored to the needs of the member, with the focus on helping maintain wellness and independence.

You might be introduced to a Case Manager because of a recent diagnosis or change in your health. A Case Manager may be needed for a single day or several months depending on the situation. Examples include:

- Helping to understand a new or existing diagnosis and how to manage it
- Finding a new in-network provider
- Helping a member find community resources if they're struggling to pay bills or having trouble moving safely around their home

If you would like to request assistance directly, please call **713.579.7909** and leave a detailed message; or, call Customer Service at **855.645.8448** (TTY: 711).

You can also send an email to: MHHPCaseManagement@memorialhermann.org.

Frequently Asked Questions

Customer Service is Here To Help.

We are proud to have a local, Houston-based Customer Service team always available to help address any concerns or issues you may have. For any questions or information, please call us at **855.645.8448**.

Q: Are referrals needed to see a specialist?

A: No referrals are required to see an in-network specialist. However, if the request is to see a physician that is out-of-network, prior authorization will be required.

Q: What pharmacies are included in the preferred pharmacy?

A: Costco Retail, CVS, Walmart, HEB, and Memorial Hermann Pharmacies are some of the preferred pharmacies. When you use a preferred pharmacy, you can pay as low as \$0 copay depending on your medication and drug tier. Costco Mail Order pharmacy is our home delivery pharmacy offering the best prices with convenience. You may also fill your specialty pharmacy prescriptions at Memorial Hermann Specialty Pharmacy or at Lumicera Health Services. If you have any questions about any other pharmacy, please contact Customer Service at **855.645.8448**.

Q: What is the Donut Hole?

A: Also known as the Coverage Gap, this is a temporary limit on what the drug plan will cover. The gap begins after you and your drug plan have spent a certain amount for covered drugs. After meeting your initial coverage limit of \$4,660 for 2023 plan year, you're in the coverage gap. During this stage, you pay discounted prices for Formulary drug coverage – 25% of the cost of brand name drugs and 25% for generic drugs – until you meet your yearly out-of-pocket maximum drug cost of \$7,400 in 2023. This amount and rules for counting costs towards reaching this amount have been set by Medicare.

Q: What is a Late Enrollment Penalty and Why am I Receiving this Bill?

A: If you disenroll from Medicare prescription drug coverage and go without creditable prescription drug coverage for a continuous period of 63 days or more, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later. ("Creditable" coverage is the coverage that is expected to be paid on average, which is at least as much as Medicare's standard prescription drug coverage.) Memorial Hermann *Advantage* issues a monthly invoice which details the member's Late Enrollment Penalty.

Q: Are shots for shingles covered and where can I get one?

A: This shot (Shingrix 50mcg/0.5mg injection) is covered under a member's Part D benefit and will be \$0. This injection must be provided at the pharmacy or by your healthcare provider.

Primary Care Physician (PCP) Requirement

PCP Requirement

For the 2023 plan year, all Memorial Hermann *Advantage* members are required to select a Primary Care Physician (PCP) upon enrollment. The better your PCP knows you, the more they can help you be successful; healthcare is different for everyone. Here are some reasons why your relationship with your assigned PCP is important and how to navigate this requirement:

Your Primary Care Physician (PCP) is the captain of your healthcare team.

This provider is your first point of contact and most likely will be the first to see signs of things like depression, chronic disease or other health concerns. Their job is to make sure you get the right care in a way that fits your needs and values. This could include managing those symptoms or referring you to a specialist when necessary.

Working with a PCP can help you better manage your future healthcare costs.

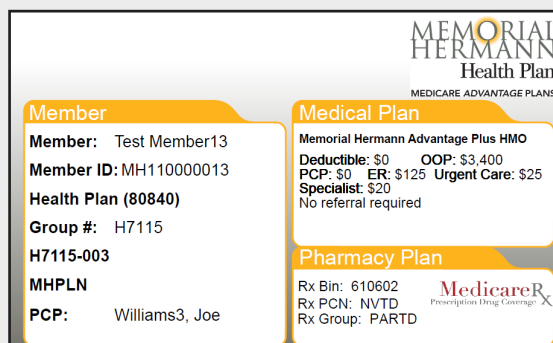

Maintaining a relationship with your PCP provides more opportunity to track incremental changes in your health and to create a plan of action, before it becomes a greater issue with potential financial and health implications.

Your PCP can work together with your specialist. You do not need a referral from your PCP to make an appointment with a specialist. However, it is strongly recommended that you work with your PCP or discuss your plans to see a specialist ahead of time. This way they can help best coordinate your care and share any necessary details with the specialist.

A PCP can also assist with finding in-network specialists for you to receive the highest quality, most affordable care.

Your PCP is selected by you. If you did not select a PCP at time of enrollment, one was selected for you and assigned based on time and distance requirements. You may change your assigned PCP at any time by calling our Customer Service team at **855.645.8448** for help. PCP changes made after the 1st of the month will be effective on the 1st of the following month.

Please visit healthplan.memorialhermann.org/medicare-advantage/resource-center/member-faq for related PCP FAQ or call us at **855.645.8448** with questions.

³ For the Dental benefit, the DPPO (Dental Preferred Provider Organization) provides flexibility. There is a large network of in-network providers available.
