---

## **A Known, Respected, LOCAL Brand**

We are a local plan, serviced locally, to better serve our members and our communities. Memorial Hermann has been helping fellow Texans in the Houston area for over 100 years.

## **Access to Top-Notch Care with No Referrals**

The Memorial Hermann Health System includes over 17 hospitals, 70 clinics, and over 6,700 physicians. And, while we encourage and facilitate establishing a relationship with your PCP to coordinate care, when you're in our network there are no referrals needed to see a specialist.

## **Care Coordination: Member – Physician – Pharmacy**

We use proprietary technology that efficiently shares valuable information and identifies opportunities for value-based care improvement.

## **Growth Trajectory**

We are investing in our products and our broker partners to significantly drive expansion and growth.

## **Apex Partnership**

Memorial Hermann has partnered with a tech-enabled company dedicated to developing value-based care solutions that address the needs of the member, the hospital, and our approach to sales and retention.

## **A Concierge Approach to Serving Our Partners**

We work directly with our partners to quickly respond to market and customer needs.
