

## 2026 Medicare Part B Diabetic Supplies

Roche (Accu-Chek) and Ascensia (Contour) have a 0% coinsurance as the preferred/exclusive brands of glucometer & test strips. A 20% coinsurance is charged for all other Medicare-covered diabetic supplies. Please refer to your Evidence of Coverage for more information.

<b>Preferred Diabetic Brands (Vendors):</b>	<b>Part B Copay/Coinsurance</b>
Roche (Accu-chek) & Ascensia (Contour)	0% coinsurance
All other brands/products of diabetic supplies	20% coinsurance

Blood Glucose Test strips may have a quantity limit in place. You may get up to 204 test strips for 30 days depending on your prescriber's direction.

- Non-preferred diabetic supplies (glucose meters, glucose monitor system/kits, and test strips) may be covered for members if requirements are met in the Medicare Non-Preferred Diabetic Testing Supplies Step Criteria Policy.<sup>2</sup>
- Coverage for quantities exceeding the specified quantity limit may be covered for members if requirements are met in the Local Coverage Determination (LCD) L33822 Glucose Monitors.<sup>1</sup>
