The Memorial Hermann Advantage Mastercard™ Flexible Spending Program (we like to call it the **Flex Card** for short).

What It Is

The Memorial Hermann Health Plan Flexible Spending Program (WEX) Card can be used like a credit card to purchase Vision and Hearing items (such as glasses and hearing aids), and groceries.

Get Rewarded in 2026

Your Memorial Hermann Healthy Advantage Wellness program reward dollars are now available on your Memorial Hermann Health Plan Flexible Spending Program (WEX) Card.

How It Works

Once you receive your card in the mail ready to go – it will automatically begin working on your enrollment effective date. **You do not need to activate the card and you do not need to create a pin number.** Simply present the card like a credit card, and dollars will be deducted accordingly upon use. If you exceed your allowance, you can use a second form of payment to cover the rest of your purchase.

What's On the Card?

Hearing Allowance

- \$600

Vision Allowance

- \$300

You can use these dollars in any combination you want when purchasing items such as:

- Glasses
- Contacts
- Hearing aids

Eligible Up to \$180 reward dollars for completing identified wellness activities.

Quarterly Grocery Allowance.

You will automatically receive your \$40 allowance loaded to your card every quarter (every 3 months).

Dollar amount is based on the plan you select.

Your Grocery allowance must be used during the quarter it was provided – unused dollars do not roll over to the next quarter.

Where Can I Learn More?

Visit mhhp.org/flex to get more information, access your member portal, and download the app (Memorial Hermann Flex Card). You can also use the portal to see the balance on your card and any charges pending, and the Flex Card App allows you to easily submit any paper receipts you may have for reimbursement. The app also gives you the ability to scan items in your home or on store shelves to determine if they are eligible for reimbursement.

Visit mhhp.org/ma-videos to learn more.

PCP Requirement

For the 2026 plan year, all Memorial Hermann Advantage members are required to select a Primary Care Physician (PCP) upon enrollment.

The better your PCP knows you, the more they can help you be successful; healthcare is different for everyone. Here are some reasons why your relationship with your assigned PCP is important and how to navigate this requirement:

Your Primary Care Physician (PCP) is the captain of your healthcare team. This provider is your first point of contact and most likely will be the first to see signs of things like depression, chronic disease or other health concerns. Their job is to make sure you get the right care in a way that fits your needs and values. This could include managing those symptoms or referring you to a specialist when necessary.

Your PCP is selected by you. If you did not select a PCP at time of enrollment, one was selected for you and assigned based on time and distance requirements. You may change your assigned PCP at any time by calling our Customer Service team at **855.645.8448** or search for a Provider by visiting **healthplan.memorialhermann.org/find-a-doctor**. PCP changes received between the 1st and the 14th of the month are effective retroactive to the 1st of the month in which the request is received. PCP changes received between the 15th and the last day of the month are effective on the 1st of the following month
