Section 1 – Introduction

This directory provides a list of Memorial Hermann Advantage HMO's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC) <https://healthplan.memorialhermann.org/medicare-advantage/resource-center/plan-documents-materials>.

This guide provides a directory of physicians and other healthcare providers in the service area who participate in Memorial Hermann Advantage HMO.

You will have to choose one of our network providers who are listed in this directory to be your **Primary Care Physician**. The term "PCP" will be used throughout this directory. Generally, you must get health care services from your PCP. Your PCP will provide most of your care and will talk with other doctors and healthcare providers about your care. He or she will make sure you get the care you need and will help to arrange or coordinate the rest of the covered services you receive as a member of our Plan.

The network providers listed in this directory have agreed to provide you with your health care/vision services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. You may go to any of our network providers listed in this directory without a referral from your PCP. In some cases you may need to receive covered services from non-network providers.

If you need medical care that Medicare requires our Plan to cover and the providers in our network cannot provide this care, you can get this care from an out-of-network provider; however the provider must participate in the original Medicare program or accept Medicare payment assignment. In this situation, you must obtain prior authorization to receive these services. We will pay the same as you would pay if you got the care from a network provider.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Memorial Hermann Advantage HMO will be responsible for the costs.

If you have a medical emergency, get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP. As soon as possible, make sure that our plan has been told about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care at 855.645.8448, usually within 48 hours. TTY: 711. You may get covered worldwide emergency/urgent medical care whenever you need it, anywhere in the United States or its territories. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health.

Urgently needed services are non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or by out of network providers when network providers are temporarily unavailable or inaccessible. You should always try to obtain urgently needed services from network providers. However, if providers are temporarily unavailable or inaccessible and it is not reasonable to wait to obtain care from your network provider, we will cover urgently needed services that you get from an out-of-network provider. You can receive care from any urgent care provider. We recommend you contact your PCP's office if you need urgent care. If urgent care services are received in your doctor's office, you will pay the office co-payment; however if urgent care services are received at a Plan urgent care center, you will pay the urgent care center co-payment, which may be higher.

Emergency/Urgent Care providers are listed in the Emergency/Urgent Care section of this directory. If you are having trouble finding a network urgent care provider, please call Customer Service 855-645-8448 TTY: 711. When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed services that you get from any provider. Our plan covers worldwide emergency and urgent coverage, but our plan does not cover non-emergency services if you receive the care outside of the United States.

You must use plan providers except in emergency or urgent care situations or for out- of- area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Memorial Hermann Advantage HMO will be responsible for the costs.

Sección 1: Introducción

En este directorio, se proporciona una lista de los proveedores de la red de Memorial Hermann Advantage HMO. Si desea obtener información detallada acerca de su cobertura para atención médica, consulte su Evidencia de Cobertura (EOC) <https://healthplan.memorialhermann.org/medicare-advantage/resource-center/plan-documents-materials>.

Esta guía proporciona un directorio de médicos y otros proveedores de atención médica en el área de servicio que forman parte de Memorial Hermann Advantage HMO.

Deberá elegir a uno de los proveedores de nuestra red que figuran en este directorio para que sea su Proveedor de Cuidados Primarios. El término “PCP” se utilizará en todo este directorio. Por lo general, debe recibir los servicios de atención médica de su PCP. Su PCP le proporcionará la mayor parte de su atención y hablará con otros médicos y proveedores de atención médica sobre sus cuidados. Se asegurará de que reciba la atención que necesita y le ayudará a organizar o coordinar el resto de los servicios cubiertos que recibe como miembro de nuestro plan.

Los proveedores de la red que figuran en este directorio han acordado proporcionarle sus servicios de atención médica y de la vista. Puede acudir a cualquiera de nuestros proveedores de la red que se incluyen en este directorio. Si ha estado acudiendo a un proveedor de la red, no está obligado a seguir recurriendo a ese mismo proveedor. Puede acudir a cualquiera de los proveedores de nuestra red que figuran en este directorio sin necesidad de una remisión de su PCP. En algunos casos, es posible que necesite recibir servicios cubiertos de proveedores que no pertenecen a la red.

Si necesita atención médica que Medicare exige que esté cubierta por nuestro plan y los proveedores de nuestra red no pueden proporcionársela, podrá obtenerla de un proveedor fuera de la red. Sin embargo, el proveedor debe participar en el programa Medicare Original o aceptar la asignación de pagos de Medicare. En este caso, debe obtener una autorización previa para recibir estos servicios. Pagaremos lo mismo que pagaría si recibiera la atención de un proveedor de la red.

Debe utilizar proveedores de la red, excepto en casos de emergencia o de cuidado urgente, o para diálisis renal fuera del área u otros servicios. Si recibe atención médica rutinaria de proveedores fuera de la red, ni Medicare ni Memorial Hermann Advantage HMO se harán responsables de los costos.

Si tiene una emergencia médica, busque ayuda lo antes posible. Llame al 911 para obtener ayuda o acuda a la sala de emergencias o al hospital más cercano. Llame para solicitar una ambulancia en caso de necesitar una. No es necesario obtener primero la aprobación ni la remisión médica de su PCP. Tan pronto como sea posible, asegúrese de que nuestro plan haya sido informado sobre su emergencia. Debemos realizar el seguimiento de su atención de emergencia. Usted u otra persona deben llamarnos al 855.645.8448 para informarnos sobre su atención de emergencia, normalmente en un plazo de 48 horas. TTY: 711. Usted puede recibir cobertura médica de emergencia/urgente en todo el mundo siempre que lo necesite, en cualquier lugar de los Estados Unidos o sus territorios. Nuestro plan cubre servicios de ambulancia en situaciones en las que el traslado a la sala de emergencias con otro medio de transporte podría poner en peligro su salud.

Los servicios urgentes son aquellos que no constituyen una emergencia, sino enfermedades, lesiones o afecciones médicas imprevistas que requieren atención médica inmediata. Los servicios urgentes pueden ser prestados por proveedores de la red o por proveedores fuera de la red cuando los proveedores de la red no están disponibles o no se puede acceder a ellos temporalmente. Siempre debe tratar de obtener los servicios urgentes de los proveedores de la red. Sin embargo, si los proveedores no están disponibles o no se puede acceder a ellos temporalmente y no es razonable esperar para obtener la atención de su proveedor de la red, cubriremos los servicios que se necesiten con urgencia y que reciba de un proveedor fuera de la red. Puede recibir atención de cualquier proveedor de atención de urgencia. Le recomendamos que se comuniquen con el consultorio de su PCP si necesita atención urgente. Si recibe servicios de atención de urgencia en el consultorio de su médico, pagará el copago del consultorio. Sin embargo, si recibe servicios de atención de urgencia en un centro de atención de urgencia del Plan, pagará el copago del centro de atención de urgencia, que puede ser más alto.

Los proveedores de atención de emergencia/cuidados urgentes figuran en la sección Atención de emergencia/cuidados urgentes de este directorio. Si tiene problemas para encontrar un proveedor de atención de urgencia de la red, llame al Departamento de Servicio al Cliente al 855-645-8448 TTY: 711. Cuando se encuentre fuera del área de servicio y no pueda recibir atención de un proveedor de la red, nuestro plan cubrirá los servicios de urgencia que reciba de cualquier proveedor. Nuestro plan cubre emergencias y urgencias en todo el mundo, pero no cubre servicios que no sean de emergencia si recibe la atención fuera de los Estados Unidos.

Debe utilizar proveedores del plan, excepto en casos de emergencia o de cuidado urgente, o para diálisis renal fuera del área u otros servicios. Si recibe atención médica rutinaria de proveedores fuera de la red, ni Medicare ni Memorial Hermann Advantage HMO se harán responsables de los costos.
